FOR IMMEDIATE RELEASE

State Route 29 - Channelization Project - Napa County Updates Friday August 7 until Friday August 14

NAPA COUNTY – Caltrans and local stakeholders are continuing construction of the State Route 29 (SR-29) Channelization Project in and near St. Helena in Napa County.

Daytime work - starting Friday August 7

Starting Friday August 7 until Friday August 14, crews are scheduled to continue daytime concrete paving work, waterline utility work and storm water pollution prevention installation on the highway shoulder of northbound and southbound SR-29 between Whitehall Lane and Stice Lane. Daytime operations will occur Monday through Friday from 7:00 AM until 3:30 PM. No lane closures are scheduled for daytime work.

In addition, work to relocate railroad signal gates will occur on Wednesday, August 12 and Thursday, August 13. Work hours are 7:00am until 5:00PM. Delays may be encountered at county road intersections.

Utility companies will also continue with daytime work in the area related to the project.

Nighttime work - starting Friday August 7

No nighttime work is scheduled starting Friday August 7 through Friday August 14.

*Major roadwork requiring lane closures or lane shift will be restricted during the harvest season period starting August 15 and ending October 15. PG&E, railroad signal relocation work and maintenance and site cleanup work will continue throughout this period.
